Sample Abstract

NEALS MISSION

Our mission is to accelerate the development of new treatments through innovative research and working collaboratively with people living with ALS and all stakeholders in the ALS research community.

OUR VALUES

At NEALS, our values underpin our commitment to the integrity of ALS clinical research and to the ALS community.

• Transparency: We believe in open communication and sharing information with our community.

• Collaboration: We believe in working together to advance research and improve outcomes for people living with ALS.

• Innovation: We believe in exploring new ideas and approaches to research and treatment.

• Inclusivity: We believe in creating a welcoming and supportive environment for all.
