Accepted abstracts are required to be presented in-person at the 2025 Annual Meeting.

OVERVIEW OF SUBMISSION GUIDELINES

Please review the full Abstract Submission Guidelines found [here](#).

- All accepted abstracts will be published in *Muscle & Nerve*.
- We welcome abstracts related to clinical investigations, basic science investigations, and information on clinical or educational resources. NEALS encourages collaborative projects.
- Authors are encouraged to consider merging related submissions into a single abstract to provide a more cohesive and comprehensive representation of the research.
- Each abstract should be limited to 350 words and contain the background, hypothesis, methods, results to date (if ongoing) and discussion/conclusions.
- Individuals may submit more than one abstract.
- All abstracts will be reviewed for presentation as either a formal platform presentation on October 10th (15 minutes, to be presented in-person during the Abstract Platform Presentations session) OR as a poster. Select abstracts will be chosen for presentations during the Science Symposium and Lightning Science Talk portions of our conference.
